

First Grade Parents/Guardians:

We are missing our sweet friends and our daily routine already!

*Reading-As we always say, the best way to practice reading is to read, read, read! Please continue to listen to your child read books, passages, and sight words every day!

Fun Ideas: sidewalk chalk sight words, read in a fort, read outside, read with a flashlight, read to a stuffed animal, read to a relative on the phone, find sight words in a magazine and hi-lite them, build words with play-doh

*Math-Practice addition/subtraction flashcards (Fact fluency is a BIG way to practice for second grade!)

Fun Ideas: dice games, card games, make up a story problem to tell your family, make a graph with your family, count daily, write your numbers, practice your addition/subtraction flashcards

*Language/Writing

Fun Ideas: keep a daily journal of your adventures, write about your favorite character in a book you read, email your teacher a letter, practice neat handwriting

*Learning Websites to visit

Taking care of your family is our first priority! We just wanted to provide you with some simple resources to continue learning during this time. We hope you stay well, and we look forward to seeing you soon!

Love,
SES First Grade Teachers
