#### First Aid Requests

Students often come to the office requesting personal and first aid supplies. If we have the supplies, we are happy to provide them—this limits parents having to leave work unexpectedly to bring necessary items to the school for their child. School faculty and staff often purchase these items from their personal money. It is very helpful if parents can donate a few of the items, as almost all students use these supplies at some point throughout the year.

- Band-Aides
- Cough drops (or peppermints)
- Dental wax
- Non-medicated chapstick
- Pads and/or tampons (it is best if *all* young ladies keep a supply in their lockers)

- Snacks (crackers, etc.)
- 3 oz. paper cup
