State of Emergency Work

St. Clair County Schools and Moody High School will remain closed during this state of emergency until Monday, April 6, 2020 to ensure the safety of the students. During this time, students are advised by the CDC to minimize contact, but we are trying to prevent regression of learning. Thus, St. Clair County and Moody High School is moving forward with a plan of action of lessons from teachers that students can complete.

Each teacher will post one major assignment OR two minor assignments weekly. These assignments will be delivered in three different ways for you to view:

1. Packet pick-up at the school from 9:00 am to 1:00 pm.
2. Teacher website and sending email through Blackboard.
3. Access to Microsoft Forms or Edmodo.
  - a. See teacher website or email for more information on accessing these.

All teachers will be available between the hours of 8:00 am and 3:00 pm to answer any questions that you may have through email. You can reach them through email. Teacher emails can be found on the Moody High School webpage at <https://www.sccboe.org/Domain/15>. If you are coming to the school to pickup the packet, please buzz the front door and someone will assist you.

If you do not have access to a computer and need access (for example, APEX students), a student can check-out a laptop. A parent must accompany the student and make an appointment with Dr. Walters ([Christopher.walters@sccboe.org](mailto:Christopher.walters@sccboe.org)) or Mr. Scott ([Frederick.scott@sccboe.org](mailto:Frederick.scott@sccboe.org)). If the laptop is damaged at all or not returned, it will cost \$230, the student will not be allowed to graduate or have grades posted to their transcript.

Additionally, if you need access to your locker, you will have to setup an appointment through email at the addresses above, and we would be more than happy to walk you to your locker. This will be available for the remainder of this week from 9:00 am to 1:00 pm.

Lunch and breakfast (for the following day) will be served through the car rider line at Moody Elementary School. Please make sure the student is with you in order to get those. Please refer to Mr. Howard's email and video for further instructions.

Thanks  
Chris Walters
