

This is a 20 minute (or less) process. Please follow these instructions.

If your child already has a DragonFly profile, please log in using those credentials and skip the first 9 steps. Please do not create a new profile. You can recover your password using DragonFly's help.

- 1) Go to dragonflymax.com
- 2) Scroll to the middle of the page and choose "Get started now."
- 3) Enter your name (parent name) and use your cell phone number. Email gets lost in a lot of filters.
- 4) You will have to accept the terms of service.
- 5) The school code is: WU5N5F
- 6) Click "Add a Child" to begin.
- 7) The school code is: WU5N5F
- 8) Click all the sports your child intends to play and submit.
- 9) Click submit paperwork.
- 10) Where it says "Prep for 2019-2020," click "Get Started."
- 11) Begin with the Medical Demographic. You will need your child's insurance card.
- 12) As you answer each question, the numbers in the red boxes at the top will decrease. When they have counted down completely, go to the next section.
- 13) You only have to answer required questions (Not everything about immunization/vaccination questions)
- 14) Complete each step in order. You will not be able to progress to the second step without updating the Medical Demographic.
