

Name _____ Date _____

Daily Math Review for 2nd Grade

Week 1

Monday

$52 + 15 = \underline{\quad}$

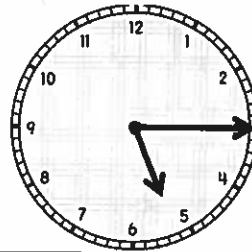

How long is the arrow?

_____ inches

Write this number in standard form:

forty-five

What time is shown on the clock?

:

Tuesday

Solve:

$5 + 5 = \underline{\quad}$

$8 + 8 = \underline{\quad}$

$3 + 7 = \underline{\quad}$

About how long is a new pencil?

about 7 feet

about 7 inches

about 2 feet

Compare using $<$, $>$, or $=$.

259 _____ 186

Joey found 2 nickels and 3 pennies. How many cents does he have?

Wednesday

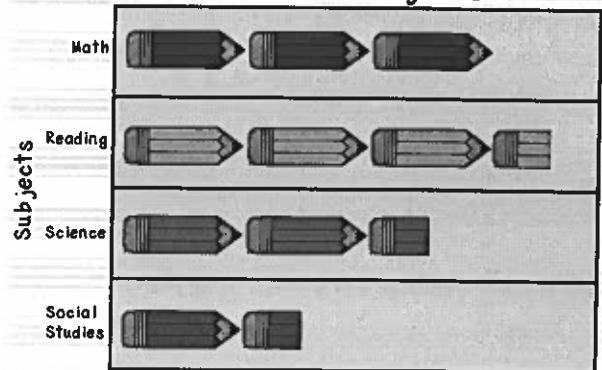

329

Which digit is in the hundreds place? _____

tens place? _____

ones place? _____

Favorite Subjects

= 2 students

Which subject is the students' favorite? _____

Name _____ Date _____

Daily Math Review for 2nd Grade

Week 1

Thursday

Write the next 3 numbers after 78, counting by ones.

78, _____, _____, _____

Nolan jumped 12 inches high and Miles jumped 7 inches high. How much higher did Nolan jump than Miles?

Tori had 14 grapes. She ate some, and had 8 grapes left. How many grapes did Tori eat?

Does this group have an odd or even number of stars? _____

Friday

Use mental math:

$343 + 10 = \underline{\hspace{2cm}}$

$742 + 10 = \underline{\hspace{2cm}}$

$289 + 10 = \underline{\hspace{2cm}}$

Write an addition equation to find the total number of circles in the array.

$617 + 122 = \underline{\hspace{2cm}}$

Split the square into 2 rows and 2 columns. How many small squares did you make?

_____ squares

Extra Work Space

Name: _____ Date: _____

5 + _____ = 10

10 + _____ = 10

1 + _____ = 10

13 + _____ = 20

Fill in the bubble of the correct answer.

Sarah had 12 beads. Her friend gave her 6 more. How many beads does she have? 18 6

Fill in the bubble of the correct answer.

Matt has 32 books. He donates 4 them to the library. How many does he have now? 28 36

Use the classroom calendar to help you.

If today is Monday, what day of the week will it be in 2 days? _____

Use the classroom calendar to help you.

Use the classroom calendar to help you.

If today is Tuesday, what day of the week will it be in 4 days? _____

Write the total amount of the money in the box.

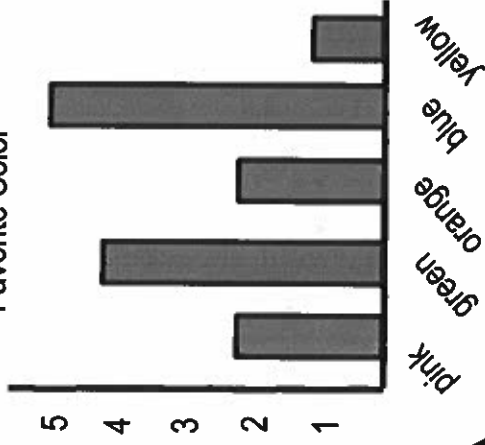

Write the total amount of the money in the box.

Using Q,D,N,P show \$0.46.

Use the graph to answer the questions below.

Favorite Color

Which color had the most votes? _____

Which color had the least votes? _____

Which two colors had the same number of votes? _____

Name: _____ Date: _____

2 + _____ = 10

8 + _____ = 10

9 + _____ = 10

14 + _____ = 20

Fill in the bubble of the correct answer.

Sarah had 15 beads. Her friend gave her 10 more. How many beads does she have? 25 115

Fill in the bubble of the correct answer.

Matt has 64 books. He lost 13 of them. How many does he have now? 77 51

Use the classroom calendar to help you.

If today is Wednesday, what day of the week will it be in 5 days? _____

Use the classroom calendar to help you.

If today is Monday, what day of the week will it be in 7 days? _____

Use the classroom calendar to help you.

How many days are in a week? _____

Write the total amount of the money in the box.

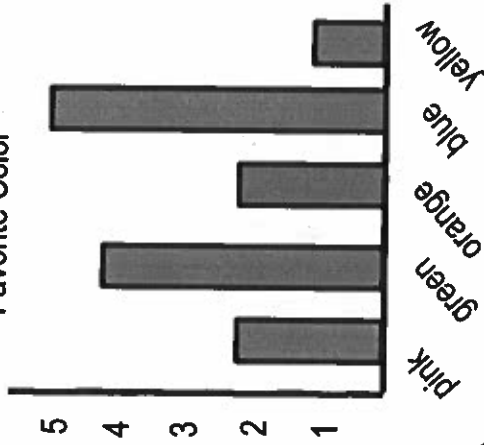

Write the total amount of the money in the box.

Use the graph to answer the question below.

Favorite Color

How many more votes does green than yellow? _____

How many votes do green and pink have together? _____

Which color has more votes: Blue or Orange? _____

Name: _____ Date: _____

7 + _____ = 10

6 + _____ = 10

10 + _____ = 10

17 + _____ = 20

Fill in the bubble of the correct answer.

Sarah had 35 shopkins. Her friend gave her 14 more. How many does she have now? 49 50

Fill in the bubble of the correct answer.

Matt has 82 crayons. 16 of them broke. How many crayons does he have now? 98 66

Write the total amount of the money in the box.

Empty box for the total amount of money.

Write the total amount of the money in the box.

Empty box for the total amount of money.

Use the classroom calendar to help you.

If today is May 2nd, what will the date be in 3 days? _____

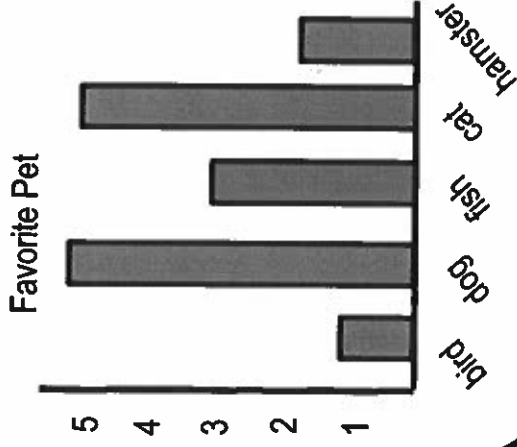

Use the classroom calendar to help you.

If today is May 10th, what will the date be in 1 day? _____

Use the classroom calendar to help you.

How many days are in the month of May? _____

Use the graph to answer the question below.

How many students voted for dogs? _____

How many students voted for birds? _____

Which animals have the same amount of votes? _____

Name: _____ Date: _____

$5 + \underline{\quad} = 10$
