

Name: _____

Teacher: _____

E Learning Menu (1st/2nd)

Select at least one activity from each subject to complete. When you complete it, place an X over that square (a minimum of 4 activities—1 for each subject--must be completed). You should attach your work to the menu and turn in to your teacher when you return to school. Some online activities may require paper/pencil responses. Students should have any log-in information in their binder. Please read directions carefully!

Reading/ELA/ Writing	Math	Social Studies	Science
Write a story using last week's vocabulary or spelling words.	Count the number of televisions, computers, and cellphones in your house and make a T-chart to record the number with tally marks.	Draw a picture and list 3 ways to be a good citizen at school.	Get a tub of water. Find 2 things you think will float and 2 things you think will sink. Were your predictions correct? If they were, why? If not, why not?
Adding Words Vowels are worth 10 and consonants are 5. Write your vocabulary or spelling words and then add the value of each word.	Log-on to Dreambox through Clever and work for 20 minutes.	Last Week's Character Trait: Generosity What is generosity and list one way to show it to others.	Record the temperature for the day (watch the news or use your grown-up's phone to get the temperature) and describe what the day is like in 1 or 2 sentences.
Write silly sentences using a spelling word from last week in each sentence. Underline the spelling word and write neatly.	Write a number sentence with these three numbers: 2, 3,5	Watch a social studies video on https://kids.nationalgeographic.com/ and write 1 or 2 things you learned. Include title of video.	Watch a science video on https://kids.nationalgeographic.com/ and write 1 or 2 things you learned. Include title of video.
Read a book online (Raz Kids, EPIC) or a book you have at home. Retell the story to your grown-up at home.	Play a math game (http://www.math-play.com/Elementary-Math-Games.html) or help with a cooking recipe with your grown-up.	Log on to Brain Pop or Brain Pop Jr and complete a social studies activity. Write 1 or 2 things you learned. Include title of video (can be accessed through the AES website and Clever)	Log on to Brain Pop or Brain Pop Jr and complete a science activity (can be accessed through the AES website and Clever)

Parent Signature: _____

Parent signature indicates that student completed all squares that are marked.
