*(Staff Signature)*

**I acknowledge and understand that:**

1. Students who are licensed and insured are permitted to park on school premises as a matter of privilege, not of right.
2. Students must park in assigned parking spot that correlates with your parking pass number. Any violations of this policy will result in a fine or vehicle being towed from school premises at the owner's expense.
3. The St. Clair County School System retains the authority to conduct routine patrols of student parking lots and inspect the exteriors of students' automobiles on school property.
4. Such patrols and inspections may be conducted **WITHOUT** notice, **WITHOUT** student consent, and **WITHOUT** a search warrant.
5. The St. Clair County School System may inspect the interiors of student automobiles whenever a school official has reasonable suspicion to believe illegal, unauthorized, and/or contraband, and materials are contained inside the automobiles.
6. If a student fails to provide access to the interior of his/her vehicle upon request by a school official, the student will be subject to school disciplinary action.
7. Parking permits may be revoked and fees are non-refundable when due to disciplinary action (leaving school without permission, excessive tardiness to school, smoking, reckless driving, etc.)
8. The contents of the vehicle are the sole responsibility of the student.
9. If a student does not have a parking permit on display in the front window of the vehicle, they **WILL** be fined \$20 for each daily occurrence.
10. The cost of a replacement parking permit will be \$10 per tag.
