May 28, 2020

Dear Parents,

The purpose of this letter is to share our expectations and plans regarding voluntary workouts this summer for our student-athletes. The current Safer At Home guidelines provided by the State of Alabama allow for athletic activities which involve conditioning and skill training through June 14, 2020. Expectations include: **social distancing** – with student-athletes of different families maintaining six feet of separation, **facial covering** – coaches and players shall wear a mask covering the mouth and nostrils except when directly participating in an athletic activity, **sanitation** – coaches and players should not share cups, drinking stations, water bottles, and/or water coolers. As a result, each student-athlete will need their own mask as well as their own water bottle.

These guidelines are in place to ensure the health and safety of our student-athletes and our employees. We expect an update regarding athletic activities before June 14, 2020, and we will share any necessary changes. Additional paperwork may be necessary for your student-athlete to participate. Each school will share specific information regarding dates, times, locations, and local requirements. We appreciate your assistance and patience with these measures as we continue to work towards meeting the needs of our students.

Regards,
